## AFG's Lewis Ayers is Awarded CCM Designation

**Herndon, VA, January 11, 2016: AFG Group, Inc. (AFG)**, would like to announce and congratulate Lewis Ayers, Operations Manager for AFG's NYC Office, on his recent Certified Construction Manager (CCM) designation. Given by the Certification Board of Governors, this distinction connects Lew to an echelon of CM practitioners who have achieved the pinnacle of their profession, and who are committed to delivering the highest standard of service possible. Certification is paramount in the growing recognition of the construction management profession.

“This recent accolade highlights Lew’s contribution to AFG Group and speaks highly of the New York-based projects that he manages, which can only serve to further enhance the firm’s capacity in the construction management industry,” said AFG’s President Michael H. O’Connor.

### **About AFG Group, Inc.**

AFG Group, Inc. is a woman-owned firm focused on multi-disciplined program, construction, and relocation management, with a national portfolio of work in healthcare, laboratories, courthouses, educational facilities and government buildings. With 25 years of business acumen, AFG has earned a reputation for providing strong expertise, responsiveness and project execution that helps owners navigate through complex design, procurement, construction and activation processes.
